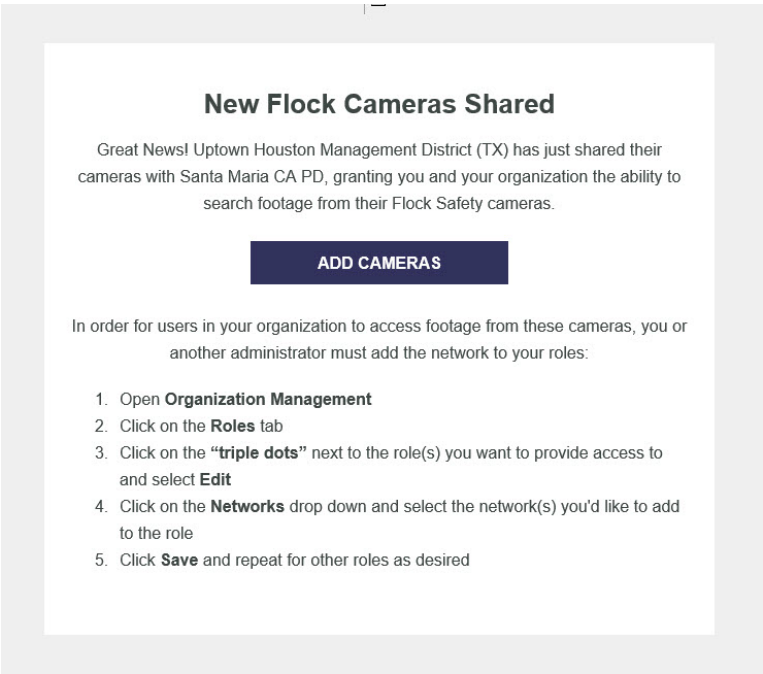
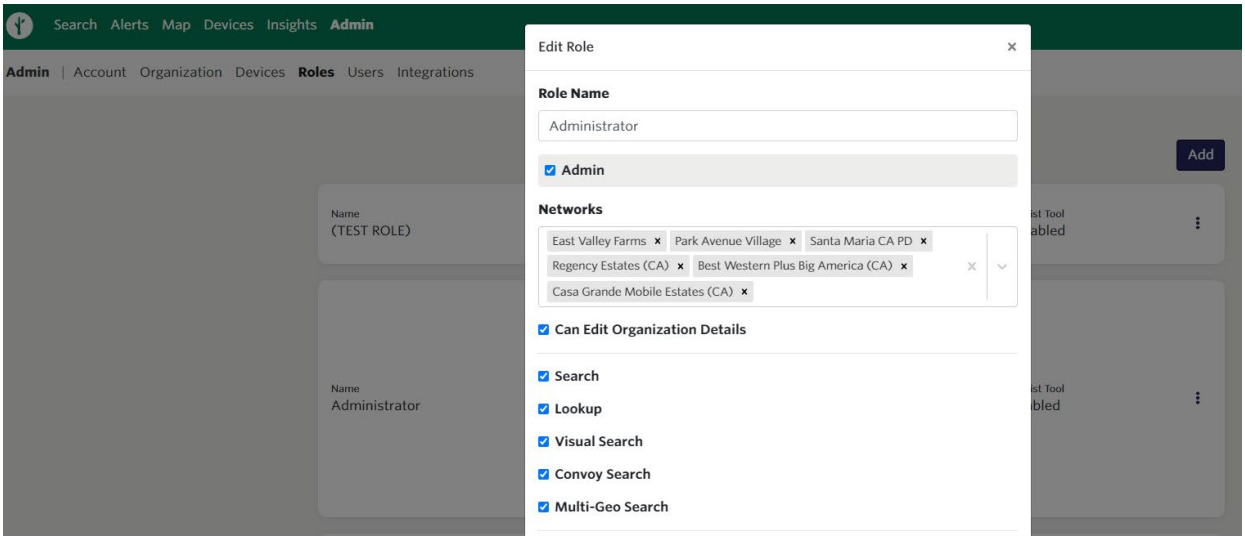
Commander,
When I "shared" our cameras with SLOSO, your "Administrators" should have received an email from Flock similar to the one shown below.
They can then click the link or follow the instructions to "Add" Santa Maria PD to the different "Roles" that they want to be able to access SMPD cameras.
Admin tab->Roles tab->Select the role->click the three dots->click in the "Networks" box and select "Santa Maria PD"



New Flock Cameras Shared
Great News! Uptown Houston Management District (TX) has just shared their cameras with Santa Maria CA PD, granting you and your organization the ability to search footage from their Flock Safety cameras.
ADD CAMERAS
In order for users in your organization to access footage from these cameras, you or another administrator must add the network to your roles:
1. Open Organization Management
2. Click on the Roles tab
3. Click on the "triple dots" next to the role(s) you want to provide access to and select Edit
4. Click on the Networks drop down and select the network(s) you'd like to add to the role
5. Click Save and repeat for other roles as desired



Let me know if that does not work. Thanks

Corporal Stephen L. Best

Good afternoon,

Per our detectives, the Flock information in Santa Maria has not been coming up when they search. Is there anything we need to do on our end? Thank you

Justin –

I just received the signed copy back, so, we are good to go. I'll ask Corporal Steve Best to flip the switch to begin sharing data with your agency.

If he has any questions, I'll have him contact you.

He can be reached at the above email address, or at 805-928-3781 x2491.

Best regards,

Dan

Dan Cohen, Division Commander

Justin –

Attached is a proposed LPR Sharing Agreement. If this works for your agency, please email me a signed copy. Once received, I'll get signatures on my end, then send you a countersigned copy. We will then flip the switch to grant you access to our LPRs.

If you have questions, please let me know.

Best regards,

Dan

Justin –

Yes we have an MOU we are using with Lompoc PD, SBSO, and SLOPD. We have a unique verbal agreement with the CHP because they are not Flock users. Do you have Flock cameras currently?

Feel free to give me a call, desk number is below, or my cell, 805-305-3090.

Thank you,

Dan

Hi Dan,

I know we have been playing phone tag, so I thought I would email you. We are looking at getting access to your FLOCK information. Many of the suspects in our criminal cases in southern San Luis Obispo County are associated with Santa Maria. In our last homicide in Oceano, we ended up locating the suspect in Santa Maria. SMPD's FLOCK information would greatly assist our detectives during their investigations. I understand you would need an MOU with us to access that information. If that is correct, I would like to start the process. I understand that CHP has an MOU with you to access your FLOCK information. If we proceed, can I get a copy of CHP's MOU so I can use similar language while writing our MOU? Thank you
